COMP 3004   Project Proposal

Flavio Barinas

Geoffrey Duimovich

Jess Cannarozzo

Karla Martins Spuldaro

ZIPPY
A grocery list service

Features:

- Interactive Grocery List
- List Sharing
- Real-time List Editing with Others
- Race Alone or with Others at the Grocery Store

Fast Listing

- Users can add items to a grocery category
- Shopping lists can be made out of these items and saved away for later
- Lists can be shared to other users

List Sharing

- Teams can shop faster by sharing their grocery list
- Items checked off from one user will notify another user and check it off from their list.
- Suzzie can share her grocery list for thanksgiving dinner with sister and shop smarter.

Race Shopping

- When a shopping trip so does the clock
- Each shopping trip time is recorded
- Race on your own or with friends
